

Valla V100R Electric Crane

Referencia: V-100-R

Description

The Valla V100 R crane is perfect for working on other machines and vehicles indoors and outdoors and in the most varied sectors such as heavy industry, the armed forces and any industry that needs to work in hard-to-reach spaces.

The electric motor with long-lasting battery and the design of this machinery range also makes them extremely versatile tools, ideal for the most demanding work situations.

The emission-free electric motor is a great option for:

- Aircraft and aviation manufacturers and maintenance
- Concrete and precast products
- Marble, granite and stone industries
- Military and government facilities
- Rubber, plastic and tyre industries
- Working with steel

Technical sheet

Model	V100 R
Engine type	Electric
Brand	VALLA
Length	4290 mm
Height	1895 mm
Battery Capacity	80/640V/Ah
Weight	11000 kg
Load capacity	9500 kg
Motor Power (KW)	13kw
Working Height	7,90 m
Motorisation	Electric
