

# Valla V70R Electric Crane

Referencia: V-70-R

## Description

---

The Valla V70 R crane is perfect for working on other machines and vehicles indoors and outdoors and in the most varied sectors such as heavy industry, the armed forces and any industry that needs to work in hard-to-reach spaces.

The electric motor with long-lasting battery and the design of this machinery range also makes them extremely versatile tools, ideal for the most demanding work situations.

## The emission-free electric motor is a great option for:

- Aircraft and aviation manufacturers and maintenance
- Concrete and precast products
- Marble, granite and stone industries
- Military and government facilities
- Rubber, plastic and tyre industries
- Working with steel

## Technical sheet

---
