

V-CAN-10 dust extractor

Referencia: V-CAN-10

Description

The V-CAN-10 compact vacuum cleaner has a lightweight design and weighs just 4.1 kg. It is easy to transport and minimises operator exertion.

Easy to use thanks to its resistant hook for winding the cable. It is ergonomically designed with a foot-activated on/off switch.

It has on-board tool storage and two large non-marking rear wheels and two front swivel wheels that make it easy to manoeuvre

V-CAN-10 vacuum cleaner features and benefits

- Ergonomic and efficient design, perfect for helping users to perform cleaning tasks without extra exertion.
- Its operation is silent, thus avoiding disrupting any work being carried out around it.
