

## Tennant R3 carpet extractor

Referencia: R3

## Description

---

With the Tennant R3 carpet extractor, carpets will be clean, dry and ready to use in less than 30 minutes thanks to ReadySpace technology, which makes environments fresher and healthier and helps to reduce bacteria and mould growth.

This cleaning machine makes spaces healthier. It uses up to 80% less water to clean and leaves up to 90% less water on the carpet.

Increase productivity in tight spaces and clean with ease in congested areas, such as offices, with almost effortless back and forth cleaning action.

Designed with an ultra-low profile and quickly adjustable control, it extends cleaning reach under desks and low-profile tables. It has ergonomic controls and handles that ensure easy storage.

Compact and original design, easy to fill, empty and clean.

## **Tennant R3 carpet extractor benefits**

The Tennant R3 carpet extractor quickly cleans small areas thanks to ReadySpace technology, which offers the following benefits:

- It can clean and dry congested areas in less than 30 minutes thanks to the Tennant ReadySpace® fast drying and cleaning technology for carpets that is included in the R3 series.
- Productivity is increased in tight spaces with convenient forward and reverse cleaning.
- It has optional, compact-size tools that can clean congested areas.

## **Tennant R3 carpet extractor features**

- Silent cleaning with a sound level of 69 dBA. Perfect for sensitive environments.
- The R3 ensures easy lifting and emptying thanks to its compact design and ergonomic handles on the removable Hygenic® tanks.
- Its Insta-Adjust™ handle adjusts to each operator and folds flat for convenient storage.
