

Mini Crane 600 KG Mobilev MINIMOB 06 R

Referencia: MINIMOB 06 R

Description

The Mini Crane 600 KG Mobilev MINIMOB 06 R is a compact and efficient lifting machine designed to tackle a variety of load handling tasks with an impressive load capacity of up to 600 kilograms. This mini crane represents a powerful and versatile solution for a wide range of applications in construction, maintenance and industrial assembly.

One of the most outstanding features of the Mobilev MINIMOB 06 R is its ability to handle heavy loads with precision and safety. Its high-precision lifting system allows for accurate load placement, which is critical in projects that require delicate movements of heavy objects or in situations where precision is essential.

Despite its impressive load capacity, this mini crane is surprisingly compact and easy to maneuver in tight spaces. Its ergonomic design and excellent stability on uneven terrain make it a valuable tool for indoor projects or space-constrained locations.

Operating the Mobilev MINIMOB 06 R is intuitive and safe thanks to its well-designed control panel and advanced safety system. It is equipped with safety features such as load and stability limits, as well as warning alarms that ensure safe operation at all times.

The mobility of this mini crane is another important advantage. It can be easily moved from one job site to another, making it extremely convenient for multi-location projects.

The 600 KG Mini Crane Mobilev MINIMOB 06 R is an essential tool for projects that require precise and efficient load lifting. Its load capacity of up to 600 kilograms, compact design and ease of operation make it a smart choice for companies looking to improve their lifting efficiency. The Mobilev MINIMOB 06 R is a reliable and versatile mini crane that delivers exceptional performance in a variety of lifting applications. Its power and precision make it a valuable addition to any construction or load handling equipment.

Technical sheet

Model	MINIMOB 06 R
Brand	MOBILEV
Load capacity	600 kg
Ordering	600
