

728S-M/V

VLX 728S-M/V 45 cm pedestrian micro scrubber

Technical sheet

Model	728S-M/V
Width	550 mm
Height	1120 mm
Weight	98 kg
Country	SPAIN
Brand	VLX

Description

The 45 cm M/V mini pedestrian scrubber is highly manoeuvrable for scrubbing in hard-to-reach areas, has a large tank capacity in a compact machine and is easy and comfortable to use. The ECO mode lowers the sound level to 2 dB and increases working time by 20%. Its recovery tank is easy to remove to access the battery and for cleaning. It can be stored conveniently thanks to the easy-fold handle and yellow touch points for easy daily maintenance.

VLX 728S-M/V pedestrian micro scrubber features and benefits
